

## Biography

### Small

For almost four decades, XTC fans could only dream of witnessing the sensational XTC classic songbook played live. That dream has now become a reality. XTC's legendary drummer, Terry Chambers, is back on the road with his band EXTC (named and approved by XTC frontman, Andy Partridge).

Alongside Terry, EXTC features frontman Steve Hampton (lead vocal & guitar - Joe Jackson, The Vapors and Dead Crow Road) and Terry Lines (bass & vocals – The Rams and Dead Crow Road).
